THE SOUND THE SOUL THE ONE

XK VINTAGE SYSTEM-RW

The new XK Vintage System has at its heart, Hammond's flagship portable organ, the XK-3c. **The RW designation stands for a new Red Walnut Veneer** finish. The XK Vintage stand and bench, also in the red walnut finish, feature the traditional turned, four-poster legs of the iconic Hammond B-3, the most popular electronic keyboard of all time, and the most desired.

A seasoned B-3 player will be right at home seated at the XK Vintage System. Whether at church, on tour, in the studio or at home, the overwhelming popularity of the XK-3c sound speaks for itself. The HAMMOND Xk-3c is recognized throughout the world for its sound, style and unmistakable dedication to the traditions created and maintained by HAMMOND for over 80 years.
